1 Identity2

SMOL LONG FORM TEXT

The smol process of long text creation and publication:

Concept ▷ Writing ▷ Collaboration ▷ Review ▷ Copy Editing ▷ ISBN ▷ Render eDocs ▷ Hardcopy proofs
▷ Print on demand ▷ Full Publication

Identity2 plays on the *nom de plume* pseudonym adopted by an author.

Identity2 is a resource and enabler for all stages of smol long-format text, focusing on a philosophy of write-once-publish-anywhere, open source and self-sufficiency.
